**Milwaukee, WI...**Hare Strigenz Design is proud to announce that it has recently expanded and would like to welcome and announce their four new clients.

**National Premium & Merchandising** - As a Gold Level distributor, National Premium helps companies achieve marketing objectives. They are a full-service, deliverer of promotional marketing tools.

**The Capuchin Province of St. Joseph** - The Capuchins were founded in 1528 and emphasize prayer and contemplation, preaching, and physical care of the needy. Today, many of their brothers continue this preaching tradition. Hare Strigenz will assist The Capuchin Province of St. Joseph in their communication efforts.

**Family Dental Practice** - The Family Dental Practice offers comprehensive health care services to families, as well as individuals.

**Merton Veterinary Clinic** - The Merton Veterinary Clinic offers comprehensive health care services to small animals and their families. Hare Strigenz will assist the Merton Veterinary Clinic in their branding and marketing efforts.

Founded in 1985, Hare Strigenz Design is a strategic communications agency producing marketing materials, annual reports and packaging for a variety of businesses and organizations throughout the United States.
